Zeta Phi Beta Sorority,
Inc., State of Colorado,
announces 2009-2010
membership drive.

Colorado, May 1, 2009 — Zeta Phi Beta Sorority, Inc., State of Colorado announces their 2009-2010 membership drive. Our theme under this administration is "Membership Has Its Privileges" for it is truly a privilege to belong to such a great national organization, Zeta Phi Beta Sorority, Inc. The 2009-2010 plan of action "Zeta Greatness Thru Change" Strengthening Zeta Relationships, Zeta Presence, Zeta Programming and Continued Education, Enhancing Zeta Involvement and as always Scholarship, Service, Sisterly Love and Finer Womanhood

"Change, make a difference, Yes We Can", a very popular phrase in the Obama/Biden campaign. It is because of President Obama's campaign that I've obtained the revelation of the knowledge of this slogan. We all want change to take place and many of us would love to make a difference in many situations, but the fact of the matter is in order for real change to take place there certainly has to be a point of sacrifice that one is willing to make in order to bring about the change.

Currently there are two graduate chapters and one undergraduate chapter locally established with Zeta Phi Beta Sorority, Inc. The Zeta Zeta Zeta Chapter was the first graduate chapter established in the Denver Metropolitan Area in 1960. The Xi Kappa Zeta Chapter was the second graduate chapter established in the Colorado Springs Area. Omicron Omicron is the active undergraduate chapter established at CSU, Fort Collins, associated with the Zeta Zeta Zeta Chapter. The website will introduce you to our history, our chapters and affiliate groups and excellent community programs, as well as a members only sections, which is one of the privileges of being active in the state of Colorado.
